Exciting Activities

For some folks the perfect picnic means relaxing at the picnic table while catching up on goings-on and reliving old memories. For others, it's about having fun: No picnic is complete without a game. A day on the grounds at Crossroads guarantees a good time for all with activities including:

After we eat, everyone is invited to the sanctuary for the VBS Closing Program. The children will sing more of their great songs and play VBS Jeopardy.

Delicious Picnic Food

Crossroads has a picnic food menu that would make The Chew jealous! Potato salad that's better than grandmas, and the freshest watermelons in the garden.

Tents and Parking

Not only will our group have easy-access parking, we will have covered areas to ensure that the church-family can stay together in central meeting and eating picnic locations.
