The Pastor's Corner

To the Saints at Stone Mountain:

I recently preached a sermon about Bill Cosby and was asked, "Why did you choose Mr. Cosby to talk about?" That's a good question. There are certainly many, many people in the news whose lives serve as a talking point for us. However, Mr. Cosby's dramas, and the allegations surrounding it, were dominant news stories for many months.

I took on Cosby's story and situation because it was so well-known. There are few people who were unaware of the Cosby saga. Rather than simply take shots at Mr. Cosby, my goal as preacher, was to lift up a biblical story and connect it to current events. Then, I wanted both the biblical narrative and the current event to serve as a cautionary tale.

We learn from both the mistakes and the achievements of others.
Are we teachable?

Glad the tomb is empty,

Pastor Farmer

Operation Christmas Child- School supplies are on sale now. This gives us an opportunity to stock up on key items to put in our Operation Christmas Child shoeboxes later in the year. With that in mind, we have named school supplies (pens, pencils, markers, erasers, pencil sharpeners, loose leaf paper, etc. but no liquids and nothing too big for a shoebox) as the OCC item of the month for August. Bring your contributions to the collection box in the narthex.
